MEMORANDUM FOR THE RECORD**SUBJECT:** Temporary Storage of RS-69

1. Inasmuch as the 30 day limitation on "flyable" storage of RS-69 AF No. 54-4042 (LAC 7105) has now expired Lockheed has proceeded to place the aircraft in "temporary" (30-120 day) storage.

25X1

2. On this date, [] LAC Military Contracts office, offered the following informal cost estimates:

	<u>COST</u>	<u>FEES</u>	<u>COST & FEES</u>
Preservation, storage inspection for 60 days, depreservation, flight test and correction of discrepancies	\$10,621	\$748	\$11,369
<u>Each additional 30 days of storage</u>	735	51	786
<u>Totals for 120 days of storage</u>	<u>\$12,091</u>	<u>\$850</u>	<u>\$12,941</u>

25X1

3. [] advised that this service can be covered by those funds allotted against the contract change order (to AF 04(606)6624) (Reference - Requisition #913-46-572-59, Allotment #9-2619-75-919) which calls for Phase VI notification.
